ToonBoom Harmony

## EXPERIENCE

### “Things! On Earth” - SCAD Senior Film

2D Animator | March 2025 - May 2025

- Asked and approved to assist in the final production of the film
- Learned a pretty useful tip on hand gestures while applying the finishing touches for a shot

### “GlassFeet” - SCAD Senior Film

2D Animator | January 2025 - May 2025

- Assisted in rough animation and animation revisions when it was needed most.

### “The Spectrum Survival Guide” - SCAD Senior Film

2D Animator | January 2025 - May 2025

- Worked on rough animation and clean up throughout production
- Was able to learn how to utilize textured brushes in Harmony

### “TV Boy” - SCAD Senior Film

2D Animator | September 2024 - March 2025

- Helped with animation and color for a senior film project using Toon Boom Harmony.
- Learned more about ToonBoom Harmony’s interface on a high quality animated film.

### “Burning Man” - SCAD Collab Film

2D Animator | June 2024 - August 2024

- Created 2D animation sequences for a collaborative student film project using Toon Boom Harmony.
- Rendered frames as separate images, gaining proficiency in technical workflows.
- Developed greater confidence and communication skills while working closely with a diverse team of animators.

### “Plant Lady” - SCAD Senior Film

Clean Up Animator | March 2023 - May 2023

- Contributed to the final polish of key animation scenes in a senior film project.
- Collaborated with fellow animators and directors to ensure the animation adhered to the desired artistic vision.
- Helped maintain consistency and attention to detail throughout the animation process.
